

Responding to COVID-19

Rachel Suff, Senior Policy Adviser

Key HR and ER issues

- Build a contingency plan and team
- Develop flexible resourcing strategies, especially homeworking
- Communicate, communicate, communicate
- This pandemic will not impact equally on organisations, roles or individuals
- Keeping people engaged & committed
- Provide support/guidance for managers

Responding to the coronavirus

As measures to stem the spread of COVID-19 take on increasing priority, the CIPD will collate and publish updated resources to support your response
